Sustained Scholarship

Selected Benchmark Dates and Program Accomplishments¹

-
- 2017 MU Architectural Studies Graduate Program receives the **Institutional Merit Award by the Interior Design Educators Council (IDEC)**. “The development of the online graduate program is truly a support for Interior Design educators who wish to pursue their PhD while continuing with their careers”
- 2016 Sixteen PhD programs are listed by the Interior Design Educators Council. MU is the **only program offering both the Masters and PhD online**. Program was the **first online doctoral program at MU**. Of the 28 PhD completions since 2003 when the online program began, fourteen were online students, four utilized a combination of online and resident instruction, and 10 were resident students. **Forty-one PhD’s** were granted since the program’s beginning.
- 2016 Great Plains ADA Center \$5 million grant renewal (pending) with Health and Human Services – with home base in the Department of Architectural Studies. Center is known for its **National ADA Symposium** and in 2016 the symposium had 900 attendees.
- 2016 Ben Schwarz received **MU Graduate Faculty Mentor Award**.
- 2016 Alumna donation by Cynthia Adams Francis invests in renovation of 232 Stanley to become **Cynthia Adams Francis Collaboration Lab for synchronous graduate education**.
- 2016 Bimal Balakrishnan, Joint Principal Investigator, University of Missouri – Interdisciplinary Innovations Fund for Development of 3D Virtual Reality Environments for Medical Education (\$25,000 for 2016-2017, Joint PI – Julie Marshall)
- 2016 Bimal Balakrishnan, Co-Principal Investigator, U.S. Department of Transportation – Federal Highway Administration for A Multidisciplinary Approach to Investigate Work Zone Using SHRP2 Safety Data, (\$99,999 for 2016-2017; PI – Praveen Edara).
- 2016 Bimal Balakrishnan, Collaborator (Design and Visualization Training), National Science Foundation Research Traineeship (NRT) Program for NRT-IGE: A test bed for **STEM graduate student communication training** (\$487,468 for 2015-2017; PI – Jack Schultz)
- 2015 Newton Dsouza. Places in the Virtual-Physical Continuum: The Impact of Virtual Behavior on Place Attributes of Online Coffee Shops. *Handbook of Interior Design*. J Thompson and N Blossom Editors. Wiley Blackwell.

¹ Academic scholarship in this listing omits the following: service to professional organizations, conference presentations and proceedings, creative exhibitions, and invitational lectures. Only selected book chapters and internal grants are noted. Scholarship of publications of “then-current” faculty and graduate students are included when related to interior design education.

- 2016 Rojak, D. and Cole, L.B. (2016) "Place Attachment in the Historic Brewpub: A Case Study in Greensboro, North Carolina." *Journal of Interior Design*, 41(1), 33-50. (Laura Cole is undergraduate interior design alumna and currently Assistant Professor at MU.)
- 2016 **Forteen interior design faculty members** who are graduate alumni or current graduate students gathered at IDEC meeting in Portland, Oregon.
- 2015 **Jan Parker is third Dean received MU Doctorate benefitting from online program.** See video at http://arch.missouri.edu/academics_online2.html . Brian Sinclair at the University of Calgary was first, Ellen Fisher at the New York School of Interior Design was second to benefit from online doctoral program.
- 2015 Cho, Young, J. and Schwarz, B. (2015) Aesthetic Theory and Interior Design Pedagogy. In Thompson, Jo Ann Asher, & Blossom, Nancy H (Eds.) *The Handbook of Interior Design* New York: Wiley-Blackwell. (Pp. 478-496).
- 2015 *DesignIntelligence* (Nov/Dec 2015) ranks our **MU interior design program #4 in the Midwest** among interior design programs in Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, and Wisconsin. The *DesignIntelligence* survey reports 2,237 U.S. firms and organizations employing design professionals who participated in the ranking.
- 2015 The *Journal of Interior Design* reports fifteen doctoral dissertations during the 2014-2015 academic year (Park, 2015). Our **department has the highest number with six PhD completions.** The department continues to offer the only online doctoral program among its peers. Three of the six completing MU doctoral students were Mizzou-Online distance students.
- 2015 Balakrishnan, B., & Oprean, D. (2015). **Communication, Coordination and Collaboration: Media affordances and Team Performance in a Collaborative Design Environment.** In Martens, B., Wurzer, G., Grasl, T., Lorenz, W.E. & Schaffranek, R.(Eds.)
- 2015 Balakrishnan, B., Kalisperis, L. N., & Oprean, D. (2015). Visualizing Human Environment Interactions: Integrating Concepts and Techniques from HCI, *Human Factors and Media Psychology*. Lecture Notes in Computer Science, Springer
- 2015 Tilanka Chandrasekera, MU alum and former graduate teaching assistant receives **Council for Interior Design Accreditation Award for Excellence –Honorable Mention.**
- 2015 Chandrasekera, T., D'Souza, N., & Yoon, S.-Y. (2015). Virtual Environments with Soundscapes: A study on immersion and spatial abilities with way finding tasks. *Environment and Planning B-Planning and Design*. 42. pp. 1003-1019.
- 2015 Tofle, Ruth Brent, Richard Sternadori, and Mike Goldschmidt. Reflecting on Twenty-five Years of the ADA: Seeing Commitment Caveats and Legal Loopholes. *Journal of Interior Design*. December. **Converted to Braille and large text** for persons with visual disabilities.
- 2015 Cole, L.B. "Fostering Green Building Literacy in the School Building: a Study of Five Middle Schools in the United States." *Children & Youth Environments*, 25(3), 145-174.
- 2015 Sternadori, Richard and Ruth Brent Tofle. (2015) The Problem of Dual ADA Building Standards for Schools and Universities. *Building Safety Journal Online*. February International Code Council.
- 2015 Doctoral Dissertation completed by online student Kandace Fischer, "**Images of community crime in Ferguson, Missouri: Older adults perspectives prior to July 2014**" is

- a study completed one month before the shooting of Michael Brown. **Dissertation is in press to be published as a book.** Kandace's experience as an online student is featured at http://arch.missouri.edu/academics_online2.html
- 2015 Nord, C. & Schwarz, B. (Eds.) (2015). Northern Light on Housing for Older Adults. A Special Issue of the *Journal of Housing for the Elderly Vol. 29, Number 1, 2.*
- 2015 Schwarz, B. & Nord, C. (2015). First Words. In Nord, C. & Schwarz, B. (Eds.) (2015). Northern Light on Housing for Older Adults. A Special Issue of the *Journal of Housing for the Elderly Vol. 29, Number 1, 2.*
- 2014 Goldschmidt, M. Principal Investigator, Healthy Homes Partnership – National Leadership; \$225,000 United States Department of Agriculture – National Institute of Food and Agriculture and United States Department of Housing and Urban Development – Office of Lead Hazard Control and Healthy Homes. 2014-present.
- 2014 Department's online program was selected and identified by *MizzouOnline* as being "exemplary." News story in the video at http://arch.missouri.edu/academics_online2.html is presented to Board of Curators System-wide.
- 2014 Ronn Phillips receives **Graduate Faculty Mentor Award.**
- 2014 Chandrasekera, T., D'Souza, N., & Yoon, S.-Y. . The effect of soundscapes on auditory landmarks in immersive virtual environments. *Journal of Building Construction and Planning Research.*
- 2014 Alawadhi, A. & Yoon, S.-Y. (2014). Effects of Store Image on Perceived Product Value. *International Journal of Design Management and Professional Practice.* 7(3), pp. 31-52.
- 2014 Tilanka Chandrasekera, MU doctoral student and former graduate teaching assistant receives **Council for Interior Design Accreditation Future Visionary of Interior Design Education Award** while Ast Professor at Oklahoma State University and completing his doctoral degree.
- 2014 Newton D'souza wins **Ernest L Boyer International Award for Excellence in Teaching, Learning, and Technology.** He also received the 2014 Innovated Excellence award.
- 2014 The **Great Plains ADA Center joined the Department** October 1, 2014. Established in 1991 with the leadership of Jim de Jong, Executive Director, the Center's mission is to provide professional, quality information and services on the Americans with Disabilities Act. It is funded by a **five-year, \$5 million federal grant** awarded in 2011. The center serves people and organizations within Missouri, Kansas, Iowa and Nebraska.
- 2014 Bimal Balakrishnan, Co-Principal Investigator, University of Missouri System Interdisciplinary Intercampus (IDIC) Research Grant - Informatic and Architectural **Analysis of Human Performance in a Clinical Simulation Setting** (\$94,640 for 2014-2015, PI – Mark Hoffman, Univ. of Missouri Kansas City Center for Health Insights)
- 2014 Bimal Balakrishnan, Joint-Principal Investigator, University of Missouri Mizzou Advantage Research Grant – Immersive, interactive, integrative: **Envisioning media of the future in 3-Dimensions.** (\$130,795 for 2014-2016, Joint PI – Clyde Bentley)
- 2014 Newton D'souza wins **Excellence in Teaching with Technology Award, Graduate & Professional Teaching Category,** Educational Technologies. MU.

- 2013 Tilanka Chandrasekera, MU doctoral student and former graduate teaching assistant receives **Council for Interior Design Accreditation receives Innovative Education Award** while Ast Professor at Oklahoma State University and completing degree at MU.
- 2013 Most Admired Educator Ruth Tofle. One of **top 30 educators in U.S.** (*DesignIntelligence*.P.15). This same year she was selected by the MU Alumni Association for the Distinguished Faculty Award.
- 2013 The University of Missouri Alumni Association honored Ruth Tofle with the *Distinguished Faculty Award*.
- 2013 Chandrasekhara, T, Ng Voc, and Dsouza, N. The Effect of Subliminal Suggestions on Sudden Moments of Inspiration (SMI) in the Design Process, *Journal of Design Studies*, Elsevier Vol 34, Issue 2, March 2013, Pages 193-215.
- 2012 Emily Roberts completes online PhD and is first to complete concentration in gerontology from **Great Plains Interactive Distance Education Alliance (IDEA) with MU** as member.
- 2012 Ruth Tofle, Bimal Balakrishnan, Newton Dsouza Joint-Principal Investigators, University of Missouri – Mizzou Online for New Online Masters Concentration in Design Research. **Significant grant invests in infrastructure for synchronous online graduate education with MizzouOnline.** (\$178,000 for 2012-2014)
- 2012 Newton Dsouza and Bimal Balakrishnan receive Mizzou Advantage Network Grant for Creative Convergence Network (CCN): International Symposium on Assessment and Facilitation of Creativity in New Media. (\$25,000 for 2012-2013)
