### with Pre-Architecture Option

**PORTFOLIO REVIEW: Application for Admission to a Professional Program in Environmental Design**

A limited number of students are admitted to the interior design studio sequence for professional programs in interior design or interior design with pre-architecture options. Students must apply for admission at the end of the winter semester of the freshman level in the curriculum for permission to enroll in EDn 181 - Design Studio I in the fall semester. The application consists of two parts: 1) an application form, due on the last week of April and 2) a portfolio of student work, due the last Wednesday of classes during finals week in May. Application forms are available early in the winter semester in a rack outside of the EDn Reception Area, 137 Stanley Hall. Acceptance decisions are based on an enrollment capacity of approximately 40 and the following:

1. Design Work

- \*Submission of selected work from at least two of the studio courses listed under #2. Recommend all 3
- \*Optional: Design work from additional studio courses or creative work done outside of classes
- \*Faculty will be looking for 1) quality of work and 2) diversity of work
- \*Instructions for submission of design work and criteria for its review are included on the application form.

2. Academic Achievement

- \*GPA for total credit hours completed at the time of application
- \*ACT score (if available)
- \*Portfolio work from at least two of the following studio courses (or equivalents): Rec all 3  
 EDn 120 - Architectural Drafting and Working Drawings  
 EDn 110 - Visual Design, or ART 20 Basic Design I, or ART 2 Introduction to Art  
 ART 60 - Beginning Drawing
